

ANNUAL REPORT — TOWN OF RUTLAND, VERMONT
Year Ending December 31, 1993

RUTLAND TOWN FIRE DEPARTMENT
25th Year Anniversary

**MARY "BETSY" SOLARI
VERMONT STATE SCHOOL NURSE OF THE YEAR**

The Town of Rutland extends its congratulations, admiration, and gratitude to Betsy Solari; who has been the Rutland Town Elementary school nurse for the past 24 years.

The Vermont State School Nurses Association, for the year 1994, voted Betsy "Vermont State School Nurse of the Year."

Betsy, who was born and raised in Rutland, graduated from Mount Saint Joseph's Academy. Betsy then continued on to obtain her Bachelor of Science degree in Professional Nursing, from Mount Saint Vincent's, in New York City. During Betsy's nursing education days, it became obvious to her that pediatrics would be the area of healthcare that she would excel in.

Betsy began as the full-time school nurse at Rutland Town Elementary School in 1969, when her youngest of six children commenced kindergarten.

Throughout her years at Rutland Town Elementary School, Betsy has eagerly contributed to the Rutland Town community in innumerable ways. Most significantly, Betsy initiated and implemented a vital healthcare program for the school. While at Rutland Town Elementary School, Betsy has maintained high professional standards, through continuous and constant contact with her peers, as well as participating in numerous continuing education programs.

Betsy has dedicated her life to children, not only raising six of her own with her husband, Bob Solari, but also educating and caring for all the children who have come through the doors at Rutland Town Elementary School for the past 24 years.

Betsy's excellent ability to relate to people of all ages, coupled with her strong sense of professionalism, have made Betsy an invaluable asset to the Rutland Town Community. The Town, in conjunction with Betsy's family and friends, congratulate Betsy on her efforts and accomplishments.

AUDITORS' REPORT

To The Honorable Board of Selectmen:

In compliance with Sub-Chapter 5, Chapter 51, Title 24, Vermont Statutes Annotated, we have, to the best of our abilities, examined the records and accounts of the Town's General Fund and associated funds as of December 31, 1993.

In our opinion, the accompanying financial statements present fairly the financial position of the Town at December 31, 1993, and the results of their operations, and changes in their financial position for the year then ended.

As auditors, we have reviewed the accounting controls of the Town Treasurer's Office and have utilized accepted auditing procedures as provided by the State of Vermont.

We especially thank the Town Treasurer for his cooperation and support in assisting us in the examination of the Town records.

Respectfully Submitted,
BOARD OF AUDITORS
JOYCE A SHACKETT
EDITH M KELLOGG
THOMAS R DONAHUE

January 31, 1994

TOWN OF RUTLAND BOARD OF SELECTMEN

As we look back on 1993, the Selectmen are pleased with the many accomplishments which took place last year.

After many months, a noise ordinance governing all-terrain vehicles was finally adopted. This will allow owners of ATVs to ride their machines as long as they meet noise decibel level limits.

On October 9, the Town Landfill was closed after 14 years of service. Two "free" days were held prior to the closing giving residents a chance to dispose of large quantities of waste without charge. Both days turned out to be overwhelming successes. The landfill has now been capped and will undergo ground water monitoring for decades to come. We are currently using a temporary transfer station until the new facility is ready in late summer or early fall. In addition, the Town has adopted a mandatory solid waste plans as well as a recycling ordinance.

Pump tests are currently taking place at the water supply site we located last year. It could be a few more months before the final results are available. In addition, the Intermunicipal Water and Sewer Committee of the Board of Selectmen hope to be meeting soon with representatives of the City of Rutland to negotiate a water contract. Talks with the City are underway so construction of the North End Sewer Project can begin this spring. This project was delayed for many months due to the State's slow approval of the no-interest bond. We are also looking into the possibility of constructing a bike-path in conjunction with the sewer project. This would make it much safer for bicyclists and pedestrians who use Post Road from Route 7 to the Town School.

The latest draft of the Rutland Town Plan was finally adopted in late December. The Planning Commission spent countless hours preparing the document, meeting with consultants and holding public hearings. The Selectmen held several required hearings as well and after numerous changes in land designation and text, the Plan was adopted.

As many of you may know, the Vermont Agency of Transportation is conducting an Environmental Impact Study for the Route 4 and Route 7 bypass. Several routes

have been chosen, any of which could have a dramatic impact on our community. The Selectmen have appointed a Bypass Advisory Committee to keep us informed throughout this important process. Please pay close attention to the information from the Selectmen as a preferred route may be chosen in the next few months.

In closing, we would like to thank the many individuals who spend countless hours making our community an enjoyable and affordable place in which to reside.

Respectfully submitted,

BOARD OF SELECTMEN

Rodney T Gallipo, Chairman

Clifford W Young, Clerk

John Paul Faignant

John D Flory Jr

RUTLAND TOWN WARNING

The legal voters of the Town of Rutland are hereby warned to meet at the Rutland Town Elementary School on Post Road on Monday, February 28, 1994 at 7:30 PM to discuss Articles #2 thru #15.

On Tuesday, March 1, 1994, at 9:00 AM at the Town Hall in Center Rutland for voters living on the West side of Route #7, and at the Elementary School Gym on Post Road for voters living on the East side of Route #7 to vote on Articles #1 thru #14 inclusive, by Australian Ballot.

Polls will close at 7:00 PM on March 1, 1994.

ARTICLES:

1. Choose all necessary officers required by law.
2. Shall the voters authorize the Selectmen to borrow money in anticipation of taxes?
3. Shall property taxes be payable to the Town Treasurer on or before September 9, 1994 with a discount of 4%, and after September 9, 1994 turned over to the Tax Collector as delinquent taxes, and Selectmen to appropriate necessary funds to cover the discount?
4. Shall the voters authorize the Selectmen to raise by taxes an amount not to exceed FIVE HUNDRED NINETEEN THOUSAND FIVE HUNDRED & NO/100 DOLLARS (\$519,500.00) for use toward the operation of the General Fund account?
5. Shall the voters authorize the Selectmen to raise by taxes an amount not to exceed FOUR HUNDRED THIRTY THOUSAND & NO/100 DOLLARS (\$430,000.00) for use toward the operation of the Highway Fund budget?
6. Shall the voters authorize the Selectmen to raise by taxes an amount not to exceed SIXTY NINE THOUSAND FIVE HUNDRED & NO/100 DOLLARS (\$69,500.00) for use toward the operation of the Fire Fund budget?
7. Shall the voters authorize the Selectmen to raise by taxes an amount not to exceed FOURTY EIGHT THOUSAND THREE HUNDRED & NO/100 DOLLARS (\$48,300.00) for use toward the operation of the Recreation Fund budget?
8. Shall the Town of Rutland appropriate an amount not to exceed ONE THOUSAND and NO/100 DOLLARS (\$1,000.00) in support of the Prevention "Works" (formerly the Steven R Gaiko Memorial Foundation) for the prevention of alcohol and drug abuse for the year 1994?
9. Shall the voters authorize the Selectmen to raise by taxes an amount not to exceed TWO THOUSAND & NO/100 DOLLARS (\$2,000.00) as our share toward the Rutland Industrial Development Corporation's budget to promote economic development in the Rutland Region and in Rutland Town?
10. Shall the Town of Rutland appropriate an amount not to exceed FOUR THOUSAND THREE HUNDRED FIFTY & NO/100 DOLLARS (\$4,350.00) in support of Rutland Area Community Services (formerly Rutland Mental Health)?

11. Shall the Town of Rutland appropriate an amount not to exceed SIX THOUSAND and NO/100 DOLLARS (\$6,000.00) in support of the Rutland Visiting Nurse Association for the year 1994?
12. Shall the Town of Rutland provide financial support to the Marble Valley Transit District - THE BUS - in an amount not to exceed EIGHT THOUSAND THREE HUNDRED THIRTY-FOUR & NO/100 DOLLARS (\$8,334.00) for transit services to the Town of Rutland for the year 1994?
13. Shall the voters of the Town of Rutland allocate the sum of TWENTY TWO THOUSAND SIX HUNDRED EIGHTY-SIX & NO/100 DOLLARS (\$22,686.00) toward the operating costs of the Regional Ambulance Service for 1994?
14. Shall the Town continue its participation in the Rutland Free Library Association, Inc and approve an appropriation not to exceed FIFTY NINE THOUSAND SIX HUNDRED SEVENTY-THREE & NO/100 DOLLARS (\$59,673.00) for the year 1994?
15. To transact any other necessary, legal and proper business which may come before said meeting.

NOTE

Many people after a snowstorm are plowing or snowblowing into and across a Town highway. This is against State and Town laws, creating a dangerous condition of obstruction and narrowing of Town roads.

Please refrain from carrying on this practice otherwise we have no alternative but to turn this matter over to the Town Constables.

Thank you for your consideration in this situation.

Board of Selectmen

NOTE

3	Females	at	12.00	36.00
551				\$2,612.00

—NOTE—

A person who owns or keeps a dog more than six months old shall annually, on or before April 1, cause it to be licensed and shall pay \$4.00 for each neutered male or spayed female dog, \$6.00 for each male dog, and \$8.00 for each female dog. If the license fee for any dog is not paid by April 1, a 50% penalty is added.

Before a person shall be entitled to obtain a license for a spayed female or neutered male dog, he shall exhibit to the Clerk a certificate signed by a duly licensed veterinarian showing that the female or male has been sterilized.

Before obtaining a license for a dog six months of age or older, a person shall deliver to the Town Clerk a certificate or certified copy thereof signed by a duly licensed veterinarian, stating that the dog has within 24 months been vaccinated against rabies with a vaccine approved by the Department of Agriculture. The Town Clerk shall keep the certificates or copies thereof on file.

DOG TAGS ARE AVAILABLE NOW! PLEASE COME IN AND AVOID THE RUSH BEFORE APRIL 1st. THANK YOU!

Richard J. DelBianco
Town Clerk

AUDITORS' REPORT

To The Honorable Board of School Directors:

In compliance with Sub-Chapter 5, Chapter 51, Title 24, Vermont Statutes Annotated, we have examined, to the extent of our abilities, the records and accounts of the Rutland Town School District as of June 30, 1993.

In our opinion, the accompanying Financial Statements present fairly the financial position of the School District as of June 30, 1993, and the results of their operations, and changes in their financial position for the year then ended.

As auditors, we have examined and tested such areas as cash, receipts, disbursements, investments, school petty cash and athletic fund accounts, and have verified figures on the accompanying financial statements. We have sent copies of our management letter stating any weaknesses there may be to the Town Treasurer and the Board of School Directors.

We thank the Town Treasurer and others connected with the Rutland Town School District for their cooperation and support in assisting us in this year's examination of the School records.

Respectfully submitted,
BOARD OF AUDITORS
JOYCE A SHACKETT, Chairman
EDITH M KELLOGG
THOMAS R DONAHUE

SCHOOL BOARD REPORT

Nineteen Ninety-Three was a very successful year for the Rutland Town School. Our student team in the Vermont Headmaster's "Geo-Bee" competition achieved first-place recognition under the direction of teacher Carol Abrahamson. The Rutland Town Band and Chorus were well-represented in the district concerts; and, the school's jazz band, under the direction of Rita Coughenour, received the honor of being selected to represent elementary schools throughout the state at the All-State Jazz Festival held at the Flynn Theater in Burlington. In addition, two of our students, Tracy Clark and Ben Harrison, were selected to serve as Legislative pages at the Vermont Legislature in Montpelier.

The faculty of our school was strengthened with the addition of Patty Swinyer as a full-time teacher, and Kathy Corbo as a part-time member of the faculty. Travis Redman was selected to serve as the coach for the Vermont State Team in the "Math Counts" competition which took place in Washington, D.C. Marcia Barron was chosen by her peers as the Vermont State Physical Education Teacher of the Year; and most recently, our School Nurse, Betsy Solari, was selected as Vermont School Nurse of the Year by the Vermont State School Nurses Association. In addition to these individual achievements, we are pleased to report that our school cafeteria staff, through hard work and diligent efforts, has turned the lunch program around financially to the point where it is now virtually a self-funding operation.

In terms of the physical plant, town voters gave the go ahead for a sewer improvement project which is expected to be completed sometime in mid-1994. Additional needs relating to the physical plant were considered by a "Space Committee" comprised of parents, citizens, teachers, staff and school board members. The Space Committee completed its work in the fall of 1993, and a recommendation for renovations and expansion of the physical plant was made to the School Board and presented to the public in two informational meetings. Based upon those informational meetings, the School Board has requested some additional "fine tuning" for the proposed project, and it is expected that the matter will be brought before the voters in a Special Meeting to be held in the early spring of 1994.

The School board, administration and faculty have worked together during the past year to provide our students with a proper and balanced education while at the same time attempting to recognize the fiscal realities of difficult economic times. The

school continues its successful "Needles and Nails" program, and, in the fall of 1993, the school newspaper, *The Rutland Post*, once again went into publication thanks to the efforts of students, teachers and members of the P.T.O. The Community/Student Partnership technology fund raising project, although off to a slow start, is still a program supported by the administration and School Board.

All in all 1993 proved to be a very busy year for the students, faculty, staff, administrators, and Board. We firmly believe that many satisfying achievements were attained during the year, and we look forward to continuing our progress in dealing with the difficult issues facing education in today's society.

Stacy Chapman, Chairman
Lynette Gallipo, Clerk

INDEPENDENT AUDITOR'S REPORT

To the Board of School Directors
Town of Rutland, Vermont School District
Center Rutland, Vermont

We have audited the accompanying general purpose financial statements of the Town of Rutland, Vermont School District as of June 30, 1993, and for the year then ended. These general purpose financial statements are the responsibility of the Town of Rutland, Vermont School District management. Our responsibility is to express an opinion on these general purpose financial statements based on our audit.

We conducted our audit in accordance with generally accepted auditing standards. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the general purpose financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the general purpose financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall general purpose financial statement presentation. We believe that our audit provides a reasonable basis for our opinion.

The general purpose financial statements referred to above do not include the general fixed assets account group which should be included in order to conform with generally accepted accounting principles. The amount that should be recorded in the general fixed assets account group is not known.

In our opinion, except for the effects, if any, of the matter discussed in paragraph three, the general purpose financial statements referred to in the first paragraph present fairly, in all material respects, the financial position of the Town of Rutland, Vermont School District as of June 30, 1993 and the results of its operations and the cash flows of its proprietary and similar trust fund types for the year then ended, in conformity with generally accepted accounting principles.

Our audit was conducted for the purpose of forming an opinion on the general purpose financial statements taken as a whole. The combining and individual fund financial statements as listed in the table of contents as Schedules are presented for purposes of additional analysis and are not a required part of the general purpose financial statements of the Town of Rutland, Vermont School District. Such information has been subjected to the auditing procedures applied in the audit of the general purpose financial statements and, in our opinion, such information is fairly presented in all material respects in relation to the general purpose financial statements taken as a whole.

**RUTLAND CENTRAL SUPERVISORY UNION
RUTLAND, VERMONT
Annual Report for 1992/93 School Year**

Change is the best word to describe the operations at Rutland Central for the 1992-93 year! The year was an active one that challenged the many talents and skills of our staff. In addition to our ongoing curriculum work in the areas of Mathematics, Science, Social Studies and Writing, new curriculum initiatives were started in the areas of Health Education and Technology. The Health Committee headed by Liz Cronin (West Rutland) and Technology under the leadership of Marilyn Grunewald (Proctor) are hard at work developing student outcomes for these programs. At the direction of the Superintendent, all other district curriculum is being converted to an outcomes-based approach to instruction. Once completed, this process will allow students, teachers and parents to know exactly what is expected to be learned, the time-frame in which learning is to occur and how learning will be assessed.

The most significant change occurring this year was the revision of the budgeting process used to one that is program-based. Using this model, each and every program in the schools is scrutinized and evaluated, with funds being allocated based upon the needs identified for each program. Under this format, school board members, administrators and taxpayers will be able to compare the per pupil cost for all of the current programs and services offered in our schools. The change in the budgeting process created a need for a revision of the computer coding system used to document the budget activity. The revised coding system will be in place for the 1993/94 fiscal year.

Increased communications was another priority at Rutland Central. To meet this important goal, a monthly newsletter titled Direct Line is prepared by the Superintendent's office and distributed to all Board members and staff in the three towns served by the Supervisory Union. "Operation Listen," a program initiated last year, was continued during the 1992-93 year. These meetings provide staff members with the opportunity to interact directly with the Superintendent on topics or questions of interest to them. Efforts to increase local media coverage of student, staff and school activities continues to be an ongoing process.

The major change reflected in the Supervisory Union Budget is the inclusion of the New Directions Program, formerly funded under the Robert Wood Johnson Grant. While the grant money has expired, the positive impact this program has had on the students and families it serves is sufficient justification for continuing the program through local funding. The two positions associated with this program, Home School Coordinator and School Based Clinician have been included. The Supervisory Union and each of the school districts within the Union have completed full financial audits for the past few years. These audits have enabled us to define and refine the methods used to document and safeguard the use of funds. Rutland Central Supervisory Union has received an award of \$1,000 from Utica Mutual Insurance Company for our efforts to create a safer school environment within the district. The grant was used to provide fireproof storage for financial records.

The results of the Vermont Assessment Program indicate that, in the areas of writing and mathematics, the performance of 4th and 8th grade students in Proctor, Rutland Town and West Rutland met or exceeded the results for all students nationwide. As an example, the average score for Rutland Central students in the uniform mathematics test was 7 points higher than the average score for all Vermont students tested at the same grade levels.

During the past year, training funds from Act 230 and 104 have allowed us to greatly expand Rutland Town's ability to reach students, faculty, parents and the community. Resources continued to be provided to develop and maintain strong and effective Instructional Support Teams. These teams are invaluable in supporting teachers and students for successful classroom experiences, not only educationally

but socially and emotionally as well.

The Rutland Town School has been widely recognized for its **Teacher Assistance Team**. This team has become a statewide model for instructional support. Karen Letourneau was asked to speak at the October Northeast International Conference for Exceptional Children in Bangor, Maine. Her presentation was titled "Inclusion—Making It Work" and was very well attended.

The school was recently able to purchase a comprehensive **K-8 Social Skills Curriculum** through a grant from Student Educational Services. This curriculum will provide for a consistent and positive approach to social behavior. It is anticipated that the program will be implemented in the Fall of 1994.

The Rutland Central Supervisory Union received second year funding for the **Robert Wood Johnson New Directions Grant**. Approximately twenty-five Rutland Town children and their families are being served by our Home School Coordinator, School Based Clinician and paraprofessional staff. The support services provided include individual and group therapy, summer recreation programs, social skills training, teacher workshops and parent and student support groups.

Finally, the Rutland Central Supervisory Union has received an **Education for Youth Employment Partnership Grant**. This program assists at-risk students in developing strong work skills and habits with the goals of school completion, graduation and job placement. A half time Project Coordinator works with 2 students in Rutland Town on the development of work sites, job training and job placement.

With the support of Proctor, Rutland Town and West Rutland communities, and through the cooperative efforts of their respective school boards, we will continue to search for creative ways in which to use our limited financial and physical resources to ensure educational excellence and equity for all of the students served by Rutland Central. You are encouraged to call the Central Office at 775-4342 if you have questions about curriculum, budget, student support services or any other educational issues. We can best serve the needs of all students by the sharing of ideas, talents and resources that can be found in each of the districts we serve.

Respectfully submitted,

James J. Cioffi, Superintendent of Schools
Katherine Bryant, Business Manager
Jean C. Cotroneo, Director of Student
Educational Services

**Rutland Central Supervisory Union Notice
Handicapped Children
Ages 0-21 Years**

The Rutland Central Supervisory Union, Proctor, Rutland Town and West Rutland, in meeting the requirements of its Local Education Agency Plan, is attempting to identify any and all area resident children between the ages of 0-21 years who may be considered handicapped. These children are entitled to receive an education, regardless of handicap, at public expense. It is possible that the Rutland Central Supervisory Union may not be aware of the residence of all handicapped children. If you know of a child who might be eligible for educational services and is not in school, please notify the Director of Student Educational Services, P.O. Box 440, 22 Evelyn Street, Rutland, VT 05701, or phone 775-7319.

* Charter Members

My many thanks to the Officers, men and Ladies Auxiliary for their work and devotion to the Town of Rutland and its Fire Department! I also wish to thank all residents of the Town for their help in making Rutland Town Fire Department the great organization it is today.

In 1993, the Vermont State Firefighters Association Conference, held in Bennington, chose Rutland Town Fireman RAYMOND McCARTHY as the Vermont State Fireman of the Year. As a Charter Member of Rutland Town Fire Department, Ray has devoted himself to this Department. The members of the Department and our community cannot thank Ray enough. So, when you see Ray out and about, shake his hand and congratulate him on this high honor.

As you may have noticed, the number of fire calls is down again. It would appear that fire prevention efforts by our Department, by our schools, through the State, and by the concerns of every individual in our community are really working. Let's keep up the good work.

In the past year, we have purchased a new portable pump, continued to upgrade our communications systems, and have worked painting and insulating the stations.

If any Town resident wishes to stop by on Wednesday evenings at either station to view your Fire Department, or to join the Department, please feel free to stop by.

Thank you!

Sincerely,
TIMOTHY PERRY, Chief
Rutland Town Fire Department

CEMETERY COMMISSIONERS

Byron R Hathaway, Rachel Williams, George J Livak

CHENEY HILL CEMETERY ASSOCIATION Annual Report

The annual meeting of the Association was held with the following officers elected:

President - Byron R Hathaway
Vice President - Rachel Williams
Secretary - George J Livak.

Many thanks to Tony Flory and Rachael Williams for their work mowing and caring for the Old Cemetery in Center Rutland and the Cheney Hill Cemetery off Pinnacle Ridge Avenue.

There were four (4) burials this year. Richard Del Bianco, our Town Treasurer, has found an investment account for the perpetual account money that will pay us a higher rate of interest. This will help raise more money for the working account and will keep the cemetery self-supporting.

Also, to raise more money, the Cemetery Commissioners are considering raising the price of lots. For more information on lots, contact Byron R Hathaway at 775-2624.

There were twelve (12) lots sold this year. This brings the perpetual account principal to \$29,575.00.

Respectfully submitted,

Byron R Hathaway, President
Rachael Williams, Vice-President
George J Livak, Secretary

RECREATION COMMISSION REPORT

Recreation in Rutland Town has grown at a slow, but steady pace. We are now providing basketball, soccer, baseball and a swimming program to the citizens of our Town. We are serving more youth than ever before as the Town continues to grow.

While the Recreation Commission has discussed many ideas for expansion, we have tried to implement only those programs which can be done with a minimal amount of tax dollars and which we believe will be successful.

In light of the impact the recession has had on our area, the Recreation Commission has not asked for any substantial increase in our budget. In fact, as a result of unexpected revenue increases and donations of labor and equipment, the amount to be raised by taxes for recreation is less than last year. Additionally, we have not increased fees for any program.

The one new program we will be offering this year is tennis lessons. These lessons will be offered at Northwood Park weekday mornings and will coincide with swimming lessons. This program will be offered to youth six years of age and above and the cost will be \$25.00 for each three-week session. We believe this program will pay for itself while providing our youth with enjoyable basic tennis instruction.

This past year, the Recreation Commission and the School Board entered into an agreement whereby the Recreation Commission will be utilizing the old school field at Northwood. We have been working hard to refurbish this field and we are very fortunate to have had much of the work and equipment donated. This field will be utilized for both soccer and baseball and will allow for more practice and playing time while also lessening the load on existing fields.

We would like to thank the Rutland Town School Board not only for the use of their field, but for all of their cooperation throughout the year. We would also like to thank Mark Genovesi and the entire staff at Rutland Town School for their assistance in so many ways.

The Recreation Commission would also like to thank all of our volunteer coaches who give so freely of their time to our basketball, soccer and baseball programs. Without their dedication to the youth of our Town, these programs would not be the huge success they are.

Finally we would like to thank Town Clerk Dick Del Bianco and his staff, and the Board of Selectmen, all of whom assist us in many ways during the year.

We look forward to another successful year for recreation in the Town of Rutland. If, at any time, anyone has a question or suggestion, please do not hesitate to contact any Recreation Commission member.

Respectfully submitted,
RUTLAND TOWN RECREATION COMMISSION

RUTLAND FREE LIBRARY ASSOCIATION, INC.
Annual Report, 1992-93

Owing to changing industrial conditions and readjustment since the war, the Public Library has never had a greater opportunity to make its service felt in the community. (From the 1922 annual report, 36 years after the library's founding.)

Owing to changing industrial conditions and constant readjustments since the global community emerged, the task of the public library has become more urgent than ever. Mindful of this the Association adopted a long-range plan last fall, providing the linchpin for the library's commitment to increasing access to one of the region's richest resources. The 107th year of service has been one of difficult but important transitions, underscoring the library's determination to be there for this community.

Dominating all activities has been a very large scale automation project, the first to be installed in a public library in this state. When the work is completed by early winter 1993, a fully integrated computer system will be in place. The integration will mesh check-out functions with the book catalog, alerting users to availability, holding books for them and keeping a more accurate record of returns and fines. By the end of the fiscal year 93/94 this system will also offer VALS (Vermont Automated Library System) to each user at every terminal, so that people will be able to view the catalogs of all the state college libraries, UVM, Middlebury College and St. Michael's as well as a number of state owned and operated databases. Dial-in access to the library's holdings will also be possible at that time. Also under discussion is a direct computer link with the new high school so that students will be able to browse our collection listings from their classrooms.

A related technology project was completed this year when a theft detection system was installed in December, protecting the library's 91,000 volume collection of books, videos, magazines, Vermontiana, cassettes and reference materials. Both the automation work and the book security system installation were moved along a little faster through the help of 300 volunteers who donated over 1200 hours of labor to install bar codes and ID tags. Their hours, when added to the additional time volunteers gave this year was the equivalent of one full-time person working for two and a third years. The library is very grateful for this help.

The real purpose of all this work has been to work on two of the library's long range plan goals which are to utilize the library's limited financial, staff and volunteer resources more efficiently and to encourage expanded use of the collection. The automation system will both help users and allow staff to be deployed in new ways, while the book security system will insure that all users will be able to find materials purchased for them.

The development of the mind is critically important to the life of an individual in a community and to the community as a whole. ... The Rutland Free Library, recognizing that learning is a dynamic, life-long process, is committed to providing a variety of avenues to meet the diversity of individual needs and to provide those important links between our past, present and future. (From the mission statement of the library's long-range plan, adopted October 1992, 107 years after the library's founding.)

**RUTLAND REGIONAL PLANNING COMMISSION
Annual Report—1993**

The Commission's Mission is to: (A) provide leadership and technical expertise to encourage cooperative planning with and among the region's communities and areawide interests; and, (B) strive to improve the quality of life for people in the region by promoting harmony between sustainable economic development, environmental interests and other planning issues.

In pursuit of that Mission, the Commission, continued to work closely with regional communities to create a cooperative and positive planning process and:

- Has worked with Poultney, West Haven, Rutland Town, West Rutland, Sudbury, Clarendon, Wallingford, Mt. Holly, Tinmouth, Shrewsbury, Ira, and Pawlet on revising or preparing their local plans or zoning regulations. In some cases, the Commission assisted in obtaining a state planning grant to cover some of the costs of this work.
- Initiated a comprehensive regional transportation planning program with the organization of the Rutland Region Transportation Council representing the region's 27 communities and focused on the development of a regional prioritized list of transportation projects for funding by the Agency of Transportation.
- Prepared a comprehensive update of the Rutland Regional Profile containing extensive information about the people and economy of the region.
- Continued our very successful cooperative purchasing program for fuels that has saved Hubbardton, Ira, Clarendon, Middletown Springs, Pawlet, Sherburne, Shrewsbury, Tinmouth, Wallingford, and "the Bus" and other nonprofits and school districts substantial amounts on their fuel oil, diesel and gasoline purchases;
- Continued using our geographic information system to give communities graphical information that helps in local decision making. Also we began work on assisting communities map local road names for future 911 system.
- Worked closely with the Rutland Industrial Development Corporation and the Rutland Region Chamber of Commerce to better coordinate our activities and programs.

Please join us as we continue these and other efforts to generate regional cooperation and make planning in Rutland County a truly grassroots process.

TOWN OF RUTLAND PLANNING COMMISSION

The adoption of the Rutland Town Plan in December 1993 brought to an end many years of hard work and late night meetings. The Board of Selectmen and the Planning Commission were unanimous in their support and adoption of the Town Plan.

The Town Plan will be the guide that will shape future Zoning Regulations for the Town of Rutland. The Town Plan contains various information including: Community Profile, Education Plan, Energy Plan, Transportation Plan and a Land Use section. The Land Use Map is a multi colored mosaic of the allowed uses of land within the town.

Anyone attempting to receive an Act 250 permit within the Town of Rutland must be in compliance with the Land Use Map contained in the Town Plan. At the present time, anyone proposing a commercial or industrial project on more than one acre of land must apply and receive an Act 250 permit. After the adoption of Zoning Regulations a project would not be subject to Act 250 jurisdiction, unless it was over ten acres in size.

The Town Planning Commission began Public Hearings on the Town Plan in December 1992. Beginning in early 1993 the Planning Commission solicited public input into the Town Plan adoption process. Throughout 1993 the Planning Commission held several advertised public hearings at which the commission met the public and received comments, recommendations, objections and support for the proposed Town Plan.

In addition to much work on the Town Plan the Planning Commission reviewed and approved 30 residential building lots and 2 commercial building lots. All Planning Commission meetings are open to the public and all town residents are welcome to attend.

In closing, I would like to thank the following individuals for the dedication and perseverance they demonstrated in their role as town Planning Commissioners in 1993. A big thank you to J. Barry Burke, Richard Hoenes Sr., Mary Ashcroft, William Corey, Christopher Oakman, George Livak, Anthony Belock and Robert Wilson.

Respectfully Submitted,

Charles Brothers, Chairman

RUTLAND AREA VISITING NURSE ASSOCIATION, INC.

To The Citizens of the Town of Rutland

The Rutland Area Visiting Nurse Association's forty-sixth year was indeed a year of great change and continued meteoric growth. A new executive team, internal restructuring and a renewed emphasis on high quality, flexible, cost effective care has supported and enhanced services in our area.

We have felt keenly our responsibility to the community to provide the same quality of care to those who have limited means, as to those who have insurance or other methods of reimbursement. Never losing sight of this mission of universal access, growth has occurred with an emphasis on better meeting the needs of the individuals and communities that we serve. We are equally committed to remaining at the cutting edge of our industry through the development of innovative programs and ways of delivering services.

One of the driving forces is cost containment. It is no longer enough to simply provide quality care. Payers, including Medicare and health maintenance organizations, insist on a competitive price. To that end, the Rutland Area Visiting Nurse Association was pleased to receive word from the Health Care Financing Administration showing that Vermont's non-profit home health agencies have the lowest average charge, per Medicare home health visit, in the entire country. RAVNA's average cost per visit during that same time period was the lowest in the State.

One might expect that cost effective care requires compromising quality, but this has not been the case with RAVNA. For an unprecedented third consecutive year the agency passed its annual comprehensive Medicare survey without a single deficiency.

We have built a strong infrastructure and foundation to meet the challenges of the coming decade. A 38% increase in the size of our full- and part-time staff helped to keep pace with annual increases in demand of nearly 30%. Services to Rutland Town residents jumped 19% from 52 in 1991/1992 to 65 unduplicated clients in 1992/1993. Town visit counts, through June 30, 1993, increased by 119% to 5,230 total home visits spread out over the following disciplines:

Skilled Nursing	1,515 Visits
Physical Therapy	204 Visits
Speech Therapy	1 Visit
Occupational Therapy	16 Visits
Homemaker	19 Visits
Home Care Aide	3,437 Visits
Medical Social Services	38 Visits
Prenatal Couples	5

Community Health Programs continue to reach hundreds of town residents at their worksites, community groups and schools with health promotion, screening and safety initiatives. Childbirth education, senior wellness and flu immunization clinics, occupational health services, cancer screenings and fitness events are just a few of the many programs sponsored by the Rutland Area Visiting Nurse Association.

The Board of Directors is proud to report that, during these recessionary times, we have provided needed home and community health services without regard for individual ability to pay or geographic location. This commitment to universal access is fundamental to our mission and corporate philosophy and is made possible by public support, United Way funding, foundation grants and individual gifts. As always, we are grateful for this vote of confidence.

As we plan for the evolving future of health care in Vermont, the Rutland Area Visiting Nurse Association is positioned to address any outcomes resulting from Vermont's health care reform effort. We are committed to working in partnership with government, individuals and institutions to foster and strengthen these vital linkages. Quality patient care and community services at RAVNA stem from a

dedicated staff, a committed Board of Directors, a network of strong committees and loyal community support. It is with confidence and appreciation that we welcome the challenges that lie ahead.

Ronald J. Cioffi
Executive Director

RUTLAND AREA COMMUNITY SERVICES, INC.

To the Residents of Rutland Town for 1994 request:

Rutland Area Community Services (formerly Rutland Mental Health Services) continues to be presented with a dramatic increase in serious mental health and substance abuse problems. Of particular note are the increasing numbers of children who are at risk within their families and persons in need of treatment for substance abuse.

Because funding has not increased with demand, we are prioritizing persons that appear to be most at risk. Thus, your support becomes even more important and Rutland Area Community Services stretches its resources to meet the priorities and increasing demands by an increasingly higher risk group of Rutland County citizens.

The fees we collect for these services generate only a portion of the actual cost. The remainder must come from State, Federal, and local funds, such as United Way and Town Giving. Your support in the past has been greatly appreciated. We are asking for level funding.

Rutland Area Community Services offers various support groups and educational programs for individuals and health providers in Rutland County; plus psycho-educational assessments and family interviews in order to help develop the most appropriate educational plan for students with learning/behavioral difficulties, who are referred by your school.

The Evergreen Center for Alcohol and Other Drug Services, our substance abuse program, continues to expand to better address the growing need for drug and alcohol treatment.

The Associates in Child and Family Services, our affiliate, 65 Grove Street in Rutland, has provided services to children, adolescents, parents, couples and individual counseling.

During the past year we provided 106 units of service to individuals from your community. These services included crisis intervention, adult brief therapy, substance abuse treatment, inpatient psychiatric care, child and family treatment, and extended care services.

We invite you to contact our main office (775-8224) with any questions you may have.

Sincerely:

Gilbert D. Aliber
Chief Executive Officer

Thomas Huebner, President
Board of Directors

RETIRED SENIOR VOLUNTEER PROGRAM
71B Williams Street, Rutland, Vermont 05701
(802) 775-8220

Dear Residents of the Town of Rutland

The Retired Senior Volunteer Program is a nationwide program for people 55 and older who want to help meet community needs through meaningful use of their skills and knowledge in volunteer service to non-profit organizations.

RSVP is especially proud that in 1993 we are celebrating our 20th year of providing services to residents of Rutland County through these organizations.

Last year, 400 RSVP volunteers throughout Rutland County contributed over 68,204 hours of service to more than 85 not-for-profit organizations.

Currently there are 24 active RSVP volunteers from your town who donate their time to the following organizations: American Red Cross, BROCC, College of St. Joseph, Godnick Center, McKerley Health Center, National Council of Senior Citizens, Pleasant Manor, One-2-One Program, RSVP, Rutland County Court Diversion, Rutland Free Library, Rutland Regional Medical Center, Rutland Senior Chorus, Rutland Town Elementary School, Tax Counseling for the Elderly, USDA Soil Conservation, Vermont Association for the Blind, Vermont Department of Forests and Parks, Vermont Department of Health. Their combined hours of service totaled 4,167 in 1992.

We thank the voters of the Town of Rutland for the support that has been shown RSVP over the years and we pledge our continued efforts to be of service to you. If you are a senior citizen with some spare time to give, please call RSVP at 775-8220. Your community needs your special skills! With RSVP, we will help you help the Town of Rutland. Thank you.

Sincerely,

Anne P. Rowe, Director
November 4, 1993

REGIONAL AMBULANCE SERVICE, INC.
ANNUAL REPORT
(Fiscal Year Ending June 30, 1993)
10 Years of Service 1983-1993

To the Honorable Citizens of the Town of Rutland, VT:

We are pleased to present our annual report to the Citizens of the Town of Rutland. Regional Ambulance Service, Inc. has continually provided emergency and non-emergency ambulance service for ten years. In our first year of operation our ambulances responded to 2557 calls. This past year, ending June 30, 1993 the service responded to a total of 4,687 ambulance calls and an additional 1580 Paramedic intercept calls in our 12 communities.

With the continued support of the citizens, our employees and community governing bodies, we have held our assessments at the same rate for nine consecutive years and are pleased to report that the assessment rate for next year has been lowered from \$6.3285 to \$6 per capita. We extend our appreciation to everyone for their support.

This year, at the Vermont State Emergency Medical Services Conference, Regional Ambulance Service, Inc. was given the highest honor for an ambulance service and named Vermont Emergency Medical Service of the Year 1993. This award was for our community programs and overall performance for the past 10 years. We are very proud of the Pride, Proficiency, and Professionalism our staff has continuously demonstrated and again thank you for your support.

As noted our call volume has continuously increased. During this past year it became necessary to add another ambulance and begin construction on an addition to our building for this vehicle. An older ambulance box was remounted on a new chassis and 5 more employees began Paramedic training, all in an effort to efficiently and professionally serve the public.

We would also like to thank Aldo Manfredi who was the City of Rutland R.A.S. Board Representative for his 8 years of service. Aldo Manfredi retired in January 1993.

Our professional staff is extremely capable and dedicated. The public is encouraged to visit and talk to the employees and administrator at our Stratton Road facility. Please feel free to contact James Finger, Administrator, or your representative, Samuel J. Gorruso if you have any question concerning the service.

This report has been dedicated in grateful memory of Amelia G.W. Taylor, Charter Board Member and President of the Board of Directors from 1989 to 1993. Her leadership and dedication were recognized by all.

We are proud of our accomplishments and look forward to serving you in the future. The Board of Directors and Administration of Regional Ambulance Service, Inc., will continue striving to provide the highest quality of emergency ambulance care at the lowest possible cost to all of the citizens we serve.

Sincerely:

Paul Kulig, President
Board of Directors

Mary Keirstead
Rutland Town

**ASSOCIATION FOR RETARDED CITIZENS
128 Merchants Row, Rutland, Vermont 05701
(802) 775-1370**

List of programs and services with brief description:

1. REPRESENTATIVE PAYEE—Budgeting and paying bills.
2. INCOME TAX—Accounting of taxes and refunds
3. EDUCATIONAL PROGRAMS
 - A. Residence and moving—to find apartments and placements in community care homes.
 - B. Food—take shopping and educate on nutrition.
 - C. Clothes—Take shopping for proper clothes and sizes.
 - D. Daily living needs—to teach and assist in goal for independent living.
4. GUARDIANSHIP—Guardian for many elderly in nursing homes and community care homes. Totally responsible for medical, financial and living needs.

10. INVESTIGATIONAL-INTERACTION—To investigate alleged abuse and neglect. Work with other agencies i.e., Rutland Mental Health, Social Services, Social Security, Hospitals, Vermont Achievement Center, Welfare, schools, organizations and professionals.

SOUTHWESTERN VERMONT COUNCIL ON AGING

REPORT TO THE CITIZENS OF RUTLAND TOWN

The following services were provided to elders in your community during the fiscal year ending September 30, 1993:

Senior Meals

Luncheon Site: Cheney Hill

Schedule: Tuesdays

1,419 congregate meals were served to 52 elder residents of Rutland Town.

1,961 meals were delivered to 17 older residents who were homebound and not able to participate at a mealsite. This service is often called "Meals on Wheels".

Senior Advocate Assistance

24 elders received help through this program. Advocate staff worked to help older persons explore options and resolve problems related to receipt of benefit programs and other assistance. Advocates helped elders fill out various application forms and file for Vermont tax rebate claims as well as fuel assistance. Guidance was also provided to persons having questions or problems related to health insurance claims or medical service payments.

Other Services

Following are some of the other key services we made available to elders in your area either directly or through contract:

• **Long Term Care Ombudsman:**

This staff person provided assistance to residents of nursing and residential care homes in our region. She helped elders and, as appropriate, family members resolve problems, sort out information concerning financial assistance and deal with other concerns related to long term care.

• **Information and Referral:**

The Council maintained an up-to-date list of programs and services available for elders. Older persons obtained this information by calling our I&R line or by visiting our office.

• **Legal Service Attorney for the Elderly:**

Funding was provided by the Council to support the services of an attorney who focused on legal issues of concern to elders. The attorney worked out of the Vermont Legal Aid Office in Rutland.

BROC BENNINGTON-RUTLAND OPPORTUNITY COUNCIL, INC.

Dear Citizens:

The main function of Bennington Rutland Opportunity Council (BROC) is to continue fighting poverty in communities through programs offering information and referral, advocacy, family support and more specific services such as emergency food, USDA commodity distributions, weatherization, emergency related home repairs and financial aid.

All the above are viewed with special emphasis on helping those in need to achieve their personal goals and to increase their self sufficiency.

This past year we served 17 families in Rutland Town (this does not include USDA commodity participants). We were able to help Rutland Town residents with direct services such as monies for emergency heating, emergency food, and information and referral to other agencies and organizations.

We are again requesting \$975.00 from Rutland Town. Part of this money will be used to support the family development program. This program will be designed to work closely with individual families to move them out of poverty and to become self supporting. BROC will continue direct services such as emergency food, USDA commodities, weatherization, home repairs and financial assistance.

**A COMMUNITY ACTION AGENCY SERVING SOUTHWESTERN VERMONT
257 South Main Street, Rutland, VT 05701 • 775-0878/Fax 775-9949**

**MARBLE VALLEY REGIONAL TRANSIT DISTRICT, "THE BUS"
1992 - 93 Annual Report**

Lawrence A. Dreier, Administrator MVRTD

Mary C. Keirstead, Representative

To the Honorable Board of Selectmen and Citizens of the Town of Rutland:

Marble Valley Regional Transit District (MVRTD), generally known as "The Bus" is entering into its 18th year of service to the residents of the greater Rutland area. MVRTD is the largest non-urban public transportation system in the State of Vermont and as such provides transportation to the general public in Rutland County, as well as to Social and Human Service Agencies, schools and area businesses. MVRTD provides an enhanced level of self-sufficiency for the elderly, disabled and transportation disadvantaged who need transportation or are committed to the environmental benefits of public transit use. MVRTD has become a valued asset to the communities it serves. System ridership has increased approximately 35% over the past three years with the addition of and modifications to "The Bus" fixed route system. Also, many rides are furnished to special needs people. Approximately 397,000 vehicle miles accumulated annually on its fleet of 21 vans and medium duty general transit buses, most of which are lift equipped and/or fully accessible.

FY 93 brought many changes, new ideas and projects to MVRTD. Through its operation of the Rutland County portion of the Vermont Rideshare Program, MVRTD has "saved" over the last 12 months 149,500 vehicle miles by providing carpool options for 1409 placements.

MVRTD's free transportation service to eligible Medicaid and Reach-Up individuals has increased from last year's 25,000 rides to over 27,000 rides this year, continuing MVRTD's status as the second largest Medicaid transportation provider in the State of Vermont.

Grants have been crafted by MVRTD staff, in cooperation with other area agencies, to create two new services: transportation specifically for young children and their families and another dedicated to elders.

Passenger waiting shelters are appearing throughout the fixed route system which has expanded with the addition of the Green Mountain Route from Kmart to the Green Mountain Shopping Plaza.

Complementary paratransit services are available for those individuals whose disability prevents the use of fixed route service.

The Multi-Modal Transit Center is proceeding toward becoming a reality which will be an important factor in the economic well-being of the City of Rutland. The Multi-Modal Transit Center will provide a transit hub for the City of Rutland and Rutland County. It will also contribute much needed parking for the new State Office Building, other planned projects and the general public with the creation of approximately six hundred new parking spaces.

In times of uncertain and expensive energy supplies, environmental issues, traffic congestion, and high costs of road construction, public transit is becoming increasingly more important. We appreciate the financial and moral support of the elected officials and taxpayers of the municipalities that guarantee Marble Valley Regional Transit District's continued Success.

**PREVENTION WORKS
78 South Main St.
Rutland, VT 05701
775-8224 Ext 180**

Prevention "Works" would like to thank all the people of Rutland Town for supporting our many programs in 1993. We had a very successful **Prevention Convention** in March with 800 children and adults attending from throughout Rutland County. We sponsored *April is Alcohol Awareness Month* with programs open to the public and brought our prevention message to the public through monthly programs on WSYB and interviews on WJJR as well as through *op ed* articles in the newspapers. With Grants from the Vermont Office of Prevention Programs and CVPS, we are also co-ordinating the weekly **52 Ways to Prevent Substance Abuse Campaign** (an essay contest for school children) which the Rutland Herald is running in its *TV/Entertainment Magazine*.

Red Ribbon Week in October was a huge success with three Peter Alsop concerts and 1600 adults and children attending. More importantly, the schools got actively involved and used the Prevention "Works" Red Ribbon Program kits as a jumping off point for their Red Ribbon Week activities. We distributed 16,000 red ribbons to the schools and businesses as requested and gave out audio and visual aids and educational materials to assist with the school programs.

Throughout the summer and fall, Prevention "Works" worked with representatives from First Night, Rutland County Substance Abuse Prevention Programs, the Knights of Columbus and about 15 area teenagers to plan the first **Teen Site for First Night Rutland**. The "Teen Task Force" worked hard and the *Rutland Rocks* site was a big success with over 500 well behaved county teens in attendance at our substance-free New Year's Eve Party.

We are mailing our *Prevention "Works" Newsletter* to all schools and to anyone else who would like to receive one five times a year. We are also working with the Drug-Free Schools advisors, have attended health fairs and given presentations, and distributed over 10,000 brochures in 1993.

With your support, we will continue our educational efforts to reach everyone in Rutland County with the message that substance-abuse prevention needs to be a way of life for all ages and that Prevention does indeed WORK.

Sincerely yours,

Karen D. Lorentz, Director
Prevention "Works"

RUTLAND COUNTY WOMEN'S NETWORK & SHELTER
PO Box 313, Rutland, Vermont 05701
Business • 775-6788
Crisis • 775-3232

Dear Selectmen:

The Rutland County Women's Network and Shelter is requesting the sum of \$600.00 for assistance with the operation of our 24-hour crisis line. We are very grateful for the help you have given us in the past.

Sincerely,

Bonnie Gainor, Director

ANNUAL REPORT
RUTLAND COUNTY WOMEN'S NETWORK AND SHELTER

In 1993, the Rutland County Women's Network and Shelter helped over 2,650 people with 29 people coming from Rutland Town. Some of the services we offer are shelter for women and children who are victims of domestic violence and sexual assault and shelter for homeless women and their children, and women in recovery from drug and alcohol abuse. In addition we run a 24-hour crisis line for domestic violence and sexual assault victims. We provide crises response on the phone, in the hospital, police station, or at the Shelter, and assistance with the Vermont Court System. We also provide individual and group counseling, help in obtaining clothing, food, and assistance in beginning a new and safe household. We network with most every social agency in Rutland County to help families through the crisis of domestic violence.

This year we have applied for a grant to expand our very busy facility. We hope to purchase the building next door to the present shelter, and renovate both buildings to meet our growing needs. This is a project that will help us to increase services to families that often have no where else to turn in times of extreme danger.

We are very grateful for the support the people of Rutland Town have given us in the past years. You have helped make us able to meet the growing needs of families who choose to live in safety.

**RUTLAND INDUSTRIAL DEVELOPMENT CORPORATION
RIDC At Work In 1993**

- Provided \$245,000 in loans to four new and existing Rutland County businesses through the Rutland County Development Fund
- Attracted \$200,000 in grant funding to start the Rutland County MicroFund for \$5,000–\$20,000 loans
- Added Mendon and West Rutland to our municipal membership
- Enhanced services available to members by moving to new quarters with the Chamber of Commerce and the Small Business Development Center (SBDC)
- Effective representation for economic development in Rutland County on the SBDC Advisory Board, the New England Transportation Initiative Advisory Committee, the Rutland Bypass Project Advisory Committee, the Vermont Council on Rural Development Board of Directors, the Rutland Regional Planning Commission, and the Rutland Regional Chamber of Commerce board of Directors
- Completed the economic development element to be included in the next revision of the Rutland Regional Plan
- Underwent a strategic planning process culminating in the adoption of a 5-year strategic plan for the organization

Plans For The Coming Year

- Implement the RIDC Strategic Plan through the operation of newly reconstituted committees: Business Retention and Attraction, Financial Services, Real Estate Management, Regional Coordination and Facilitation, and Membership
- Support new and expanding businesses with loans from \$5,000 to \$75,000
- Apply for an Act 250 Umbrella permit for a 70-acre parcel adjacent to the Airport Industrial Park
- Position Rutland County as an exciting place to start or move a business by participating with the State, CVPS and the Chamber of Commerce at national travel and industry trade shows

RUTLAND AREA HOSPICE, INC.

To the Citizens of the Town of Rutland Town:

The Rutland Area Hospice provides respite, emotional, physical and spiritual support to terminally ill persons and their families.

Our volunteers need 30 hours of Hospice training before they can become Hospice caregivers.

Our Hospice program provides public awareness, and we have a small library available to help families through a very difficult time.

The areas in which our money is spent are in Volunteer Training, public awareness, and office expenses. We have only one full-time paid staff (myself) plus one part-time secretary.

We have provided 3,443 hours of Hospice care to families in Rutland Town whom we are sure of. We have only an address for those we have helped in the Hospital, where we provide volunteers so that a person is not alone to die. It's very hard to know when a person lives in Rutland Town or Rutland because of Rutland addresses.

We have three volunteers of whom I am sure who live in Rutland Town one of them being a Board Member.

Rutland Area Hospice is a free service to patients/families. We are a United Way Agency, and they provide 1/3 of our low budget. Memorials provide another 1/3 and fund-raising plus Town Fund allocations provide the remaining 1/3.

We want to thank you for your interest and support of our Hospice program. Rutland Area Hospice is the only program which provides this unique service.

Sincerely,

Jane Taylor
Director of Hospice Programs

VERMONT CENTER FOR INDEPENDENT LIVING**Report to Towns—Fiscal Year 1993 (October 1, 1992–September 30, 1993)**

The Vermont Center for Independent Living is a private, not-for-profit organization of Vermonters with disabilities working together for dignity, independence, and civil rights. Our goals are to increase opportunities for people with disabilities to participate fully in the life of our communities and to dismantle the physical, communication, and attitudinal barriers that prevent us from realizing our full human potential. We work together with our citizens with disabilities to achieve full human and civil rights and equal access to community services and opportunities; to increase the availability of community resources and options for independent living; and to gain the power to control and direct our own lives. VCIL is Vermont's first and only statewide cross-disability independent living center and was the first organization in Vermont to be directed and staffed by people with disabilities.

VCIL serves over 3,000 Vermonters a year. We offer: information and referral services, one-on-one peer advocacy counseling, assistance with obtaining equipment and services that enable persons with severe disabilities to live more independently, assistance in making home entrances and bathrooms handicap accessible, community advocacy, information about the Americans with Disabilities Act and other civil rights laws, help in obtaining accessible and affordable housing, and meals-on-wheels for persons with disabilities. We have offices in Montpelier and Brattleboro as well as a network of locally-based peer advocate counselors serving the entire state.

In FY 1993, staff members of the Information and Referral and Assistive Technology programs responded to 1,896 requests for information and/or assistance state-wide. The Home Access Project received 25 requests for assistance with home accessibility modifications during the year: 22 projects totaling \$26,400 were completed. Counselors in the Peer Advocacy Counseling program provided 2,450 hours of service to 360 peers with disabilities. VCIL renewed its cooperative agreement with the state to provide approximately \$70,000 annually to individuals in the Independent Living Services program. Staff of the Community Advocacy program made 1,843 advocacy contacts in FY 1993.

For more information contact Vermont Center for Independent Living, 174 River St., Montpelier, VT 05602-3573; telephone: (802) 229-0501 and 1-800-639-1522 (Voice and TDD) or VCIL South, 230 Main St., Brattleboro, VT 05301; telephone (802) 254-6851 (Voice and TDD).

RUTLAND AREA CULTURAL ALLIANCE
5 Court Street, Rutland, Vermont
(802) 747-3590

To the Citizens of the Town of Rutland:

The Rutland Area Cultural Alliance is requesting that the town of Rutland allocate \$300 in support for the 1994 calendar year. The Alliance represents over forty cultural, business, and civic groups in Rutland County who share the belief that cultural activity and participation benefit the quality of life and contribute to the economic development of our community.

Several collaborative projects undertaken by the Alliance during the past year have directly benefited the residents of Rutland Town. The Alliance was a major sponsor of the highly successful Vermont State Drama Festival last April in which Mill River Union High School and Rutland Town High School students participated. Several locations in Rutland Town were featured in *Views Through Time*, a self-guided driving tour of the Rutland region that the Alliance published last summer. This booklet, along with a walking tour of Rutland City, is on sale throughout the County and is a valuable tool in making residents and visitors aware of the historical and architectural wealth of the area. Another project is the publication of a quarterly Rutland Region Cultural Calendar which informs residents of events taking place and helps groups avoid conflicts of dates when making plans. An additional major undertaking is the annual Rutland Region Ethnic Festival held in June which celebrates the ethnic traditions of our region and involves community groups from throughout Rutland County.

Reasons to support the Rutland Area Cultural Alliance:

- Cultural activities and opportunities to contribute to a better quality of life and encourage economic development
- The Alliance initiates ambitious collaborative projects which require pooled resources and coordination.
- Local government funding provides a base for advocacy on the state and federal level.
- The Alliance advocates for arts in education.
- The Alliance promotes the importance of cultural considerations in all decision-making processes.
- The Alliance provides funding for collaborative projects undertaken by other community groups.

With local government support as a base, the Alliance will continue to increase cultural activity and will advocate strongly for the arts at all levels, in our educational system, and in all segments of our population. We believe that a vital cultural climate will enhance the region as an attractive place in which to live, work, and visit.

We thank you for your support last year and hope you will consider this request.

Sincerely yours,
Ann Singiser, Coordinator

**STATE OF VERMONT
HOUSE OF REPRESENTATIVES
State House, Montpelier, VT 05633-5201**

As the snow falls abundantly around the State House, inside legislators have begun to work through an agenda packed with historic legislative proposals. Let me describe some of the work I will be focusing on this session.

Welfare Reform: Despite the rhetoric given to the recent welfare reform bill passed by the legislature, taxpayers will not save any money nor will recipients really have to go to work. I am proposing welfare reforms that spend less taxpayers' dollars, not more, and one which won't take necessary services away from our working parents in favor of recipients of public assistance.

Act 250 Reform: I have proposed a major reform plan for Act 250. My plan limits costs, time, and appeals in the current system. My plan holds district commissions responsible for their decisions and protects applicants from frivolous appeals. My proposal will also address suburban sprawl in support of growth centers in each town.

Jobs: As a member of the House Commerce Committee, I am working every day on legislation that will create, and in some cases already is creating, new jobs. This year we will pass workers' compensation reform, health care reform, and the Economic Progress Act II.

I look forward to a productive session. I hope you will contact me with your advice and concerns. My numbers are 1-800-322-5616 or at home, 747-0587. Thank you.

Rep. Steve Howard

RUTLAND NATURAL RESOURCES CONSERVATION DISTRICT
257 South Main Street, Rutland, Vermont 05701
(802) 775-7192

Annual Report

The mission of the Rutland Natural Resources Conservation District is to enhance the planning, conservation, and proper development of the District's natural resources and to involve the landowners and general public with this process through increased program visibility.

A Conservation District is a political subdivision of the State of Vermont, as approved by the Legislature in 1939, to cooperate with individuals, landowners, organizations, and State and Federal agencies to prevent and control soil erosion and flooding throughout the State. The Rutland District was established in 1968. It includes the sixteen towns in the eastern part of Rutland County.

The conservation districts decide what conservation work needs to be done in the district and is the vehicle through which landowners receive local, state, and federal assistance. The district actively encourages landowners to sign up as cooperators. It coordinates the efforts of resource-related programs and is the local sponsor for large scale conservation projects.

Working through the districts, the Soil Conservation Service of the U.S. Department of Agriculture provides technical assistance to individuals, groups, and communities who make decisions about conservation, development, and use of natural resources.

During 1993, the Rutland District was involved in the following projects and activities: prepared a new long range plan; cooperated with the Soil Conservation Service in providing a new Rutland County Interim Soil Survey; provided trout fingerlings to pond owners for fish stocking; through a State grant conducted an Arbor Day program at a local church school; conducted pond management and rabies awareness workshops; provided Gro-Labs to several area schools; selected the Toby and Anne Lewis family of Tinmouth as the District's Conservation Farmers of the Year; and reviewed Act 250 permit applications and U.S. Forest Service proposed activities on the Green Mountain National Forest, and cooperative projects with the Aiken Resource Conservation & Development Area.

Any landowner or farmer is encouraged to contact our office for technical assistance or advice. The office is located at 257 South Main Street, Rutland, or call 775-7192.
